## The New MySunWest.com Has Landed

The launch is complete, and our new site has officially landed! We know it's not on the same level as the Perseverance Rover's landing on Mars recently, but this exploration is a little closer to home, and we are so excited to take this journey with you.

At SunWest we don't want you to just reach for the sky. We want to help you soar among the stars! Here are some tips to guide you through the fresh terrain and new features:

- Much like Pluto's demotion (which we're still not over), **Microsoft will be leaving most versions of Internet Explorer in the dust starting August 17**, so make sure to update your browser ASAP.
- Access to online banking, as well as our URL (MySunWest.com) will remain the same, allowing you to sit back and enjoy the experience without the turbulence.
- Our new blog may not teach you rocket science, but it will help you build financial literacy, offer employee insights, and share all the latest news at SunWest.
- While you're in our gravitational pull, moonwalk over to our completely new service, MoneyEdu! This new benefit of membership makes you the pilot of your financial destination by giving you all the tools you need in order to plot out your goals, build a budget, and so much more!

Take a telescopic **look through our new site to win a \$50 prize** of your choice! Check out the steps below:

1. Visit **our site**
2. Look for the phrase **#SunWestEagleEye**
3. Head over to our Facebook, Twitter, or Instagram post & tell us on which pages you found the phrase
4. First explorer to find all 5 phrases wins a \$50 Snappy prize!

We would love to hear what you think about the new site, so please share your feedback via our **Contact Us** form.
